\* Total migration is the sum of interstate and intra state and foreign migration.

\*\* Out migration totals may under report estimated out migration because of suppressed outflows. Net migration totals (in migration minus out migration) also do not include these suppressed outflows.

\*\*\* Sum of migrants by Household Type and Housing Tenure will differ from sum of migrants by Relationship to Householder because of differences in the universe.

\*\*\*\*Foreign out migration only captures migration from Maryland to Puerto Rico.
